

OHS Essentials for Managers - Victoria Online Course

Overview

This course looks at the key areas of OHS Management in order to give Managers and Supervisors overall knowledge of how to think safety and how to best manage safety within their area or department or business. The course can be completed in small chunks. In fact enrolment lasts for 1 year, so you can take as long as you like to complete it.

Objectives & Course Outline

The course objectives are to provide a clear understanding of the following topics:

- Where to get safety information
- What is the legislative landscape including some sample cases
- What should an OHS Management System look like?
- Consultation requirements and methods
- Hazards and Risk Management
- Safety Culture
- Incident Management

Who should complete the course?

Anyone in Victoria who wants to know about how to manage safety. Particularly Managers and Supervisors, however it would also be beneficial for Safety Coordinators, Safety Advisors, Safety Managers or Health and Safety Representatives.

Estimated Duration & Cost

4-8 hours \$110 per person

Note - Self-enrolment is available via PayPal for a 10% discount. Ask about group discounts for more than 10 persons enrolled and having the course customised to suit your organisational needs.
