

Workplace Warden Training - Australia 2024 Online Course

Course Overview

This course provides you with the skills to undertake the role of Warden for your workplace facility. Did you know that your workplace needs to have trained “Wardens”

As with all things health and safety we need to keep evidence of compliance. A certificate from this course will provide you with evidence to support this requirement.

Objectives

- To provide an understanding of the role of emergency evacuation warden
- To ensure wardens are aware of their role and the key items in their workplace emergency management plan
- To prepare wardens for drills which should be occurring in the workplace

Course Outline

- Emergency Control Organisation (ECO)
- ECO positions, authority, qualities of a good warden, roles and duties, identification & indemnity
- Key Considerations for our Emergency Response Procedures
